

EQUIPMENT

Reduce downtime.
Increase productivity.

LET'S GET PACKAGING.

COMPLETE PACKAGING AUTOMATION SOLUTIONS

- Equipment sales
- Installation
- Rentals
- Upgrades
- Preventative maintenance
- Modifications & retro-fits
- On-going technical support
- Financing
- On-site training

WE DELIVER

- Lower total cost of ownership
- Increased productivity
- Speed to market
- Peace of mind

SupplyOne is your full-service equipment and packaging automation partner. We get the right equipment, for the right application to you when you need it—regardless of manufacturer. And, we make sure it keeps running with service and preventative programs that give you the peace of mind your packaging equipment will run at the speed of your business.

Our factory trained technicians have the strategic knowledge to make application-specific recommendations that enhance productivity, reduce downtime, extend the life of your equipment, accelerate speed to market and increase your cash flow.

Simply put, if it has to do with packaging equipment, we do it.

SUPPLYONE

The Leader
In Packaging Solutions

**WE KEEP YOUR
BUSINESS
HUMMING.**

NEVER MISS A BEAT.

SupplyOne's certified factory trained technicians have a track record of reducing downtime and increasing productivity, providing fast and reliable packaging equipment sales and service. We're not tied to any one provider, so you can trust our unbiased solutions are based only on what's best to address your unique requirements. And our technicians are more than packaging machinery experts. They're experts in your field. That means we have the strategic knowledge to make application-specific recommendations that maximize your efficiency and free up your cash.

ONE POINT OF CONTACT.

- Factory trained technicians
- Packaging equipment engineers
- Modified atmosphere packaging
- Packaging design & innovation
- Extrusion engineers
- Line layout & design
- Process improvement consultation
- Certified packaging specialists

THIS IS ONLY THE BEGINNING . . .

- Carton erecting & closing system
- Strapping & banding machines
- Tray & cup sealing systems
- Thermoformed food trays & filling machines
- Vacuum chamber systems
- Steam tunnels & dip tanks
- Palletizing & stretch wrapping equipment
- Shrink wrapping machines
- Blister packaging equipment
- Vacuum skin packaging
- Product identification systems: best by date
- EWON & telemetry

THE FIX IS ON.

When it's time for a repair, our team puts boots on the ground. Whether you bought your equipment from us or from another provider, our factory-trained technicians are there when you need us. With multiple locations in states across the country, we always have experts available in your area who understand urgency. We know that getting you back up and running fast is the key to a robust bottom line.

PARTIAL LIST OF MANUFACTURERS WE REPRESENT AND SERVICE:

YOUR PRODUCTIVITY. OUR MISSION.

Take peace of mind to the next level with SupplyOne's Preventative Maintenance Program. When you're in the middle of a production run, the last thing you need is unexpected downtime for repair - or worse; the expense and disruption caused by waiting for parts, rework or emergency service. When you have SupplyOne's Preventative Maintenance Program, our technicians take responsibility for keeping your packaging equipment in tip-top order, and that reduces unplanned overtime, rejected product, scrap and the likelihood of more extensive scale repairs.

Count on our technicians to give your packaging machinery the TLC it needs to prevent downtime before it impacts your business. You'll benefit from reduced maintenance and repair expense, increased packaging quality and extend the life of your equipment. And we'll keep the productivity and savings coming, alerting you to opportunities to increase efficiencies through training, corrective maintenance or replacement. Your employees will thank you too with improved safety and the confidence they can get their job done.

PRODUCTIVITY.

LOWER TOTAL COST OF OWNERSHIP.

SPEED TO MARKET.

PEACE OF MIND. ROTARY

- Sales, Service, Preventative Maintenance

CORRUGATED

- Stock corrugated
- Die-cuts
- RSCs
- HFCs
- FOLs
- POLs
- AFMs
- Bin boxes
- One-piece mailers

CUSTOM CORRUGATED

- Single wall
- Double wall
- Triple wall
- ECT
- Mottled white
- Special colors
- Multi-color printing
- High-end graphics
- Point-of-purchase displays
- Die-cut
- COCs

PACKAGING SUPPLIES

Protective packaging & cushioning

- Fabrication materials
- Polyurethane
- Polyethylene
- Polystyrene
- EPS
- Antistatic polyurethane

Conductive & reticulated foams fabrication processes:

- Saw cut
- Die cut
- Heat laminate
- Hot wire
- Glue
- Die-cut corrugated inserts
- Bubble wrap
- PE foam
- EPE (expanded polystyrene foam)
- Paper void fill
- Inflatable pillows & cushioning
- Suspension packaging
- Foam-in-place materials & systems
- Plastic thermoforming (trays & clamshells)
- Trays (plastic & foam)
- Corner board & edge protection
- Labels (product identification & branding)

MISC. CONSUMABLES

Stand-up Pouches

- Plain & printed 10 color
- Rotogravure & flexo
- Zippered

- Gusseted & flat bottom
- Retort
- Assortment of material combinations
- Matte & gloss finish

Bags

- Plain & printed 10 color
- PE & PP
- Re-closeable (zipper/tin tie)
- Wicketed
- On a roll
- Larger format (lawn & garden products)
- Master bags (map)
- Drum liners (plain & map)
- Tote liners (plain & map)
- Pallet covers

OPERATING SUPPLIES

- Janitorial products
- Washroom paper
- Washroom dispensers
- Soaps & sanitizers
- Lighting
- POS supplies
- Breakroom items
- Mailroom supplies
- Can liners (garbage & recycling)
- Cleaning & disposal tools
- Mops
- Brooms
- Buckets
- Trash & recycling cans
- Misc. customer-specific items

SAFETY SUPPLIES

- Defibrillators
- Ergonomics
- Eye protection
- Fall protection
- Footwear
- Hand protection
- Hazardous materials storage
- Heat stress
- Hand & face protection
- H1 Viz apparel
- Identification
- Instrumentation
- Protective clothing
- Safety shower & eyewash
- Sorbents
- Welding

SHIPPING SUPPLIES

- Stock & custom shipping containers
- Custom die-cut corrugated containers
- Pressure sensitive carton sealing tape (machine & hand length)

- Specialty tapes (security, printed, filament, masking, & appliance)
- Water activated tape
- Strapping (steel & poly)
- Labels (shipping & branding)
- Cargo boxes & containers
- Transport monitoring (temperature & impact)
- Cold chain packaging
- Mailers (stock & custom)
- Packing list envelopes
- VCI and desiccants

FLEXIBLE PACKAGING FILMS

- Plain & printed 10 color
- Co-extrusions & laminations
- V/F/F/S & H/F/F/S
- Breathable & barrier lidding films
- MAP & CAP
- Thermoforming
- PVC Overwrap
- Stretch film
- Shrink film
- Shrink bags
- Bundling films
- Shrink sleeves
- Poly bags
- Poly sheeting
- Poly masking

LABELS: CUSTOM & STOCK

- Comprehensive stock label collection
- Custom EDP labels
- Variable imprinted labels
- Prime labels
- Laser labels
- Stock labels
- 6-color flexographic printing presses
- Pressure-sensitive and non-pressure-sensitive
- Film/foils/lamination
- Coated and uncoated tag stocks
- Die-cutting
- Consecutive numbering
- UV coating pattern adhesives
- Thermal transfer ribbons
- Packaging equipment

PLASTIC THERMOFORMED PRODUCTS

- Comprehensive stock tray collection
- Custom design capabilities
- Clamshells
- Trays

- Blisters and blister cards
- Thermoforming
- Die-cutting
- Roller die-cutting
- Hot stamping
- Heat sealing
- Punch pressing
- PVC
- PETG
- High-density polyethylene
- ABS
- High-impact polystyrene (HIPS)
- Conductive polystyrene
- Polypropylene
- Static intercept
- ESD materials (PVS and styrene)

PACKAGING EQUIPMENT

- Modified atmosphere packaging
- Carton sealing systems
- Conveying and product handling
- Strapping, banding, & sealing systems
- Tray & cup sealing systems
- Thermoformed food trays & filling machines
- Vacuum chamber systems
- Steam tunnels & dip tanks
- Palletizing & stretch wrapping equipment
- Shrink wrapping machines
- Blister packaging machines
- Bag & pouch filling & sealing
- Horizontal form, fill, & seal
- Vertical form, fill, & seal
- Induction sealing
- Metal detection & inspection
- Stretch PVC overwrap (case-ready)
- Systems integration & robotics
- Industrial skin packaging & VSP
- Product identification systems
- Rentals & financing
- Demo systems
- EWON & telemetry

SUPPLYONE MANUFACTURED ITEMS

- Manufactured custom corrugated
- Manufactured sleeves & trays
- Manufactured customer labels
- Thermoformed blisters & trays
