When you work with a single point of contact, you get efficiency. When that contact is SupplyOne, you get better packaging, speed to market, and maximum savings.

SUPPLYONE

The Leader
In Packaging Solutions

SUPPLYONE IS THE INNOVATIVE PARTNER YOU NEED FOR YOUR FOOD PACKAGING.

GUARANTEED FOOD PACKAGING SAVINGS.

SupplyOne designs programs that turn food packaging into profit. We uncover the hidden costs within your packaging expenses. What's more, we guarantee your savings in writing.

ONE TEAM. ONE POINT OF CONTACT.

- Food packaging experts
- Certified packaging specialists
- Equipment engineers
- Modified atmosphere packaging
- Packaging design & innovation
- Extrusion engineers
- Line layout & design

GROW YOUR BUSINESS—FASTER.

Using SupplyOne's proven Packaging Management Process, our team assesses your packaging needs completely. We take a 360° view of your business to find the smartest route to quickly reduce costs and increase cash flow.

- Analyze your buying patterns to optimize on hand inventory
- Examine product applications and cost-in-use
- Consult with you on product protection, shelf life, and operational throughput
- Design and validate new packaging materials and offer improvements to existing products and processes
- Assess the best service platform and supply chain efficiencies to maximize profitability

This 360° perspective allows us to engineer a fully streamlined process, tailored to your production environment and uniquely suited for your business.

WE DO THE WORK. YOU GET THE SAVINGS.

WHERE THE SAVINGS ARE:

Lower Direct Costs

Annual packaging spend
Freight
Payment terms
Labor (reallocate/
eliminate)
Lighting/energy cost

Improve Working Capital

Investment
Carrying cost
Damage/obsolescence
Off-site storage cost

Lower Indirect/ Process Costs

Product receipt
& handling cost
PO/invoice
processing cost
Operational efficiency

WE'VE GOT YOU COVERED.

SupplyOne experts have extensive experience working with middle market food processors. We partner with the broadest range of best-in-class packaging and equipment manufacturers globally. Whether we are recommending packaging materials, equipment, innovative design, or process improvements, you can depend on SupplyOne to be your independent and objective business partner.

EFFICIENCY. CASH-FLOW. CONFIDENCE.

- Guaranteed savings
- Lower inventory investment
- Improved cash flow
- Maximized production space
- Purchasing efficiencies
- Increased employee productivity
