

# CASE STUDY

## FOOD PROCESSING

SupplyOne partnered with a commercial bakery to streamline packaging operations — providing corrugated boxes, printed pie trays, and labeling equipment to boost efficiency and brand consistency.

Automated bakery packaging operations

**SupplyOne Partners With You to Identify What's Best for Your Business**

## OVERVIEW

A Houston-based commercial bakery partnered with SupplyOne to streamline packaging operations — reducing vendors from five to one, improving order accuracy, and cutting procurement time by 25%.

## THE SOLUTION

SupplyOne delivered packaging and equipment solutions that improved efficiency and visual consistency.

### FOOD PROCESSING

- ↓ **Procurement Time**
- ↑ **Branding consistency up by 25%**
- ↓ **Labeling downtime**

**SupplyOne consolidated vendors from 5 to 1, boosting efficiency and branding by 25%.**

Designed and produced branded corrugated boxes and digitally printed pie trays tailored to the bakery's operations and image.

Supplied label applicator equipment and compatible materials to streamline labeling and reduce downtime.

Continuing support through equipment consultation and packaging optimization — ensuring all needs, from pails to labels, are sourced through one trusted supplier.
